

RECOGNITION AND RESPONSE TO THE IDD COMMUNITY

Effective Community Policing For Persons With Intellectual And Developmental Disabilities

FREE TCOLE CREDIT with Interactive Community Safety Event For Law Enforcement Agents For Bexar And Surrounding Counties

People with Intellectual and Developmental Disabilities (IDD) have become full participants in their communities and are an increased presence in their community. Our Law Enforcement Officers need specialized skills to effectively serve people with IDD and to provide effective community policing for persons with various disabilities.

Become trained to teach law enforcement personnel on how to recognize and respond appropriately to people with intellectual and/or developmental delays.

You will watch scenes from **BE SAFE The Movie** and practice safety skills with members of your community.
